Re: Cancellation of Agreement No. 60302-23A.

Dear Rich,

As you are aware, Golden State Fire Apparatus, Inc., a California corporation (“We” or “Us”) and Calaveras Consolidated Fire Protection District, a California fire protection district (the “Department”) entered into an agreement for the Department’s purchase of one (1) Pierce Manufacturing, Inc. Enforcer 1500 GPM Pumper (“Pierce,” and the “Product”) by executing that certain Product Proposal dated effective March 31, 2023 (the “Product Proposal”). By executing the Product Proposal, the Department also agreed to be bound by the terms of the attachments thereto, including the Purchasing Terms and Conditions (the “Terms and Conditions”). The Terms and Conditions, together with the Product Proposal and other attachments thereto are referred to herein as the “Agreement.”

Following the execution of the Product Proposal, (i) the Department made a cash down payment of \$330,285.49 (the “Down Payment”) toward the purchase price for the Product; (ii) Community Leasing Partners (on behalf of the Department) paid the balance of the purchase price for the Product in the amount of \$565,457.00 (the “Financed Payment,” and together with the Down Payment, the “Purchase Price”) on April 14, 2023; (ii) We placed the Department’s Product order with Pierce; and (iii) We secured a performance leasing bond with Pierce with which was subsequently issued to the Department (the “Performance Bond”).

On May 25, 2023, you sent an email to our sales consultant, Mark Paulsen, requesting a cancellation of the Agreement. Pursuant to Section 9 of the Terms and Conditions, the Department is free to cancel the Agreement, subject to a cancellation fee in an amount equal to 10% of the Purchase Price. However, in recognition that financial circumstances change and in light of the important work that the Department does for the community, We are willing to apply a reduced cancellation fee of 1.25% of the Purchase Price, for a total of \$11,196.78, to be deducted from the Down Payment (the “Cancellation Fee”). We cannot charge less than this due to actual costs incurred as a result of the order.

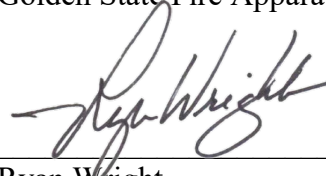

If the Department still desires to cancel the Agreement, please provide us with notice by signing in the space provided below and returning a copy of this letter to Us at the address appearing above. In connection with the cancellation, the Department will agree to return the original Performance Bond to Us by FedEx to the address appearing above. Effective upon our receipt of an executed copy of this letter and the Performance Bond, we will promptly: (i) cancel the Product order with Pierce; (ii) refund the Down Payment, less the Cancellation Fee, to the Department; and (iii) refund the Financed Payment to Community Leasing Partners, with such payments to be made by check or wire transfer. As of such date, the Agreement will be cancelled and We and the Department hereby acknowledge and agree that We will have no further obligations to the Department under the Agreement.

For clarity, note that We will not cancel the current Product order with Pierce unless and until we receive a signed copy of this letter and the Performance Bond from the Department. We have already made Pierce aware of the fact that the Department may wish to cancel its order. If you determine not to cancel the Agreement, please promptly notify us in writing so that we can ensure Pierce proceeds with the manufacture of the Product in accordance with the product completion estimates provided in the Product Proposal.

Please contact Us if you have any questions, and we hope to work with the Department again in the future.

Sincerely,

Golden State Fire Apparatus, Inc.

Ryan Wright,
President

RECITALS

WHEREAS, Lessee desires to lease from Lessor certain equipment described in the schedules to this Agreement, substantially in the form of Exhibit A hereto, that are executed from time to time by the parties hereto (such schedules are hereby incorporated herein and are hereinafter collectively referred to as the "Schedules", and the items of equipment leased to Lessee hereunder, together with all substitutions, proceeds, replacement parts, repairs, additions, attachments, accessories and replacements thereto, thereof or therefore, are hereinafter collectively referred to as the "Equipment") subject to the terms and conditions of and for the purposes set forth in this Agreement.

WHEREAS, the relationship between the parties shall be a continuing one and items of equipment may be added to or deleted from the Equipment from time to time by execution of additional Schedules by the parties hereto and as otherwise provided herein.

WHEREAS, Lessee is authorized under the constitution and laws of the State to enter into this Agreement for the purposes set forth herein.

NOW, THEREFORE, for and in consideration of the premises hereinafter contained, the parties hereby agree as follows:

ARTICLE I. REPRESENTATIONS, WARRANTIES AND COVENANTS OF LESSEE

- (a) Lessee is a public body, corporate and politic, duly organized and existing under the Constitution and laws of the State.
- (b) Lessee will do or cause to be done all things necessary to preserve and keep in full force and affect its existence as a body corporate and politic. Lessee is a political subdivision of the State within the meaning of Section 103(a) of the Code or a constituted authority authorized to issue obligations on behalf of a state or local governmental unit within the meaning of the regulations promulgated pursuant to said Section of the Code.
- (c) Lessee has full power and authority under the Constitution and laws of the State to enter into this Agreement and the transactions contemplated hereby, and to perform all of its obligations hereunder.
- (d) Lessee has duly authorized the execution and delivery of this Agreement by proper action by its governing body at a meeting duly called, regularly convened and attended throughout by the requisite majority of the members thereof, or by other appropriate official approval, and all requirements have been met and procedures have occurred in order to ensure the enforceability of this Agreement.
- (e) Lessee has complied or will comply with such public bidding requirements as may be applicable to this Agreement and the acquisition by Lessee of the Equipment.
- (f) During the Lease Term, the Equipment will be used by Lessee only for the purpose of performing one or more essential governmental or proprietary functions of Lessee consistent with the permissible scope of Lessee's authority and will not be used in a trade or business of any person or entity other than Lessee.
- (g) During the Lease Term, Lessee will annually provide Lessor with current financial statements, budgets, proof of appropriation for the ensuing fiscal year and such other financial information relating to the ability of Lessee to continue this Agreement as may be reasonably requested by Lessor.
- (h) The Equipment will have a useful life in the hands of Lessee that is substantially in excess of the Original Term and all Renewal Terms.
- (i) The Equipment is, and during the Lease Term will remain personal property and when subjected to use by the Lessee, will not be or become fixtures.
- (j) The Equipment is essential to the function of the Lessee and the services provided to its citizens, and will be used throughout the period that this Agreement is in force for the purpose of performing one or more governmental or proprietary functions consistent with the permissible scope of its authority.
- (k) During the term of this Agreement, Lessee will not dispose of or sell any part of the Equipment.
- (l) Lessee has not terminated a lease, rental agreement, installment purchase contract, or any other such agreement in the past five (5) years as a result of insufficient funds being appropriated for payments due under such an agreement.
- (m) This Agreement constitutes the legal, valid and binding obligation of Lessee enforceable in accordance with its terms, except to the extent limited by applicable bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally.
- (n) No event or condition that constitutes, or with the giving of notice or the lapse of time or both would constitute, an Event of Default exists at the date hereof.
- (o) Lessee has, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds for the current fiscal year to make the Rental Payments scheduled to come due during the current fiscal year and to meet its other obligations under this Agreement for the current fiscal year, and such funds have not been expended for other purposes.
- (p) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or threatened against or affecting Lessee, nor to the best knowledge of Lessee is there any basis therefore, wherein an unfavorable decision, ruling or finding would materially adversely affect the transactions contemplated by this Agreement or any other document, agreement or certificate which is used or contemplated for use in the consummation of the transactions contemplated by this Agreement or materially adversely affect the financial condition or properties of Lessee.
- (q) All authorizations, consents and approvals of governmental bodies or agencies required in connection with the execution and delivery by Lessee of this Agreement or in connection with the carrying out by Lessee of its obligations hereunder have been obtained.
- (r) The entering into and performance of this Agreement or any other document or agreement contemplated hereby to which Lessee is or is to be a party will not violate any judgment, order, law or regulation applicable to Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest or other encumbrance on any assets of Lessee or the Equipment pursuant to any indenture, mortgage, deed of trust, bank loan or credit agreement or other instrument to which Lessee is a party or by which it or its assets may be bound, except as herein provided.

ARTICLE III. LEASE TERM

Section 3.01. Lease of Equipment. Lessor hereby demises, leases and lets to Lessee, and Lessee rents, leases and hires from Lessor, the Equipment listed in each Schedule in accordance with this Agreement and that Schedule for the Lease Term for the Lease of which that Schedule is a part. The Lease Term for each Lease may be continued at the end of the Original Term or any Renewal Term for an additional Renewal Term; provided, however, that at the end of the Original Term and at the end of each Renewal Term, Lessee shall be deemed to have continued that Lease for the next Renewal Term unless Lessee shall have terminated that Lease pursuant to Section 4.05 or Section 5.04. The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Rental Payments shall be as provided in the Schedules. Lessor hereby covenants to provide Lessee during the Lease Term with quiet use and enjoyment of the Equipment, and Lessee shall during the Lease Term peaceably and quietly have and hold and enjoy the Equipment, without suit, trouble or hindrance from Lessor, except as expressly set forth in this Agreement.

Section 3.02. Continuation of Lease Term. Lessee currently intends, subject to Section 4.05, to continue the Lease Term for each Lease through the Original Term and all of the Renewal Terms and to pay the Rental Payments hereunder. Lessee reasonably believes that legally available funds in an amount sufficient to make all Rental Payments during the Lease Term for each Lease can be obtained. The responsible financial officer of Lessee shall do all things lawfully within his or her power to obtain and maintain funds from which the Rental Payments may be made, including making provision for the Rental Payments to the extent necessary in each proposed annual budget submitted for approval in accordance with applicable procedures of Lessee and to exhaust all available reviews and appeals in the event such portion of the budget is not approved. Notwithstanding the foregoing, the decision whether or not to budget or appropriate funds or to extend a Lease for any Renewal Term is solely within the discretion of the then current governing body of Lessee.

Section 3.03. Return of Equipment on Termination. Upon expiration or earlier termination of any Schedule under any provision of this Agreement at a time when Lessee does not exercise its option to purchase the Equipment described in that Schedule under the provisions of this Agreement, Lessee shall deliver, at Lessee's expense, the Equipment described in that Schedule to Lessor in the same condition as existed at the Commencement Date, ordinary wear and tear expected, packaged or otherwise prepared in a manner suitable by shipment by truck or rail common carrier at a location specified by Lessor.

Section 3.04. Conditions to Lessor's Performance under Schedules. As a prerequisite to the performance by Lessor of any of its obligations pursuant to the execution and delivery of any Schedule, Lessee shall deliver to Lessor the following:

- (a) A Lessee Resolution executed by the Clerk or Secretary or other comparable officer of Lessee, in substantially the form attached hereto as Exhibit B, completed to the satisfaction of Lessor;
- (b) An Opinion of Counsel to Lessee in substantially the form attached hereto as Exhibit C respecting such Schedule and otherwise satisfactory to Lessor;
- (c) All documents, including financing statements, affidavits, notices and similar instruments, in form satisfactory to Lessor, which Lessor deems necessary or appropriate at that time;
- (d) Such other items, if any, as are set forth in such Schedule or are reasonably required by Lessor.

This Agreement is not a commitment by Lessor to enter into any Schedule not currently in existence, and nothing in this Agreement shall be construed to impose any obligation upon Lessor to enter into any proposed Schedule, it being understood that whether Lessor enters into any proposed Schedule shall be a decision solely within Lessor's discretion.

Lessee will cooperate with Lessor in Lessor's review of any proposed Schedule. Without limiting the foregoing, Lessee will provide Lessor with any documentation or information Lessor may request in connection with Lessor's review of any proposed Schedule. Such documentation may include, without limitation, documentation concerning the Equipment and its contemplated use and location and documentation or information concerning the financial status of Lessee and other matters related to Lessee.

ARTICLE IV. RENTAL PAYMENTS

Section 4.01. Rental Payments to Constitute a Current Expense of Lessee. Lessor and Lessee understand and intend that the obligation of Lessee to pay Rental Payments hereunder shall constitute a current expense of Lessee and shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general tax revenues, funds or monies of Lessee.

Section 4.02. Payment of Rental Payments. Lessee shall pay Rental Payments, from any and all legally available funds, in lawful money of the United States of America, exclusively to Lessor or, in the event of assignment by Lessor, to its assignee, in the amounts and on the dates set forth in each Schedule. Rental Payments shall be in consideration for Lessee's use of the Equipment during the applicable year in which such payments are due. The

Rental Payments will be payable without notice or demand at the office of Lessor (or such other place as Lessor may from time to time designate in writing). If any Rental Payment or other sum payable under any Schedule is not paid when due, Lessee shall pay to Lessor accrued interest on such delinquent amount from the date due thereof until paid at the lesser of 18% or the maximum rate allowed by law. In the event that it is determined that any of the interest components of Rental Payments may not be excluded from gross income for purposes of federal income taxation, Lessee agrees to pay to Lessor promptly after any such determination and on the date of each Rental Payment thereafter an additional amount determined by Lessor to compensate Lessor for the loss of such excludability (including without limitation, compensation relating to interest expense, penalties or additions to tax), which determination shall be conclusive absent manifest error.

Section 4.03. Interest and Principal Components. A portion of each Rental Payment is paid as, and represents payment of, interest, and the balance of each Rental Payment is paid as, and represents payment of, principal. Each Schedule will set forth the interest component and the principal component of each Rental Payment during the Lease Term.

Section 4.04. Rental Payments to be Unconditional. The obligations of Lessee to make payment of the Rental Payments required under this Article IV and other sections hereof, and to perform and observe the covenants and agreements contained herein, shall be absolute and unconditional in all events, except as expressly provided under this Agreement. Notwithstanding any dispute between Lessee and Lessor, any Vendor or any other dispute between Lessee and Lessor, any Vendor or any other person, Lessee shall make all payments of Rental Payments when due and shall not withhold any Rental Payments pending final resolution of such dispute, nor shall Lessee assert any right of set-off or counterclaim against its obligation to make such payments required under this Agreement. Lessee's obligation to make Rental Payments during the Original Term or the then-current Renewal Term for each Schedule shall not be abated through accident or unforeseen circumstances.

Section 4.05. Non appropriation. Lessee is obligated only to pay such Rental Payments under this Agreement (and any additional amounts due hereunder, if applicable) as may lawfully be made from funds budgeted and appropriated for that purpose during Lessee's then current fiscal year. Should Lessee fail to budget, appropriate or otherwise make available funds to pay Rental Payments under a Lease following the then current Original Term or Renewal Term, that Lease shall be deemed terminated at the end of the then current Original Term or Renewal Term. Lessee agrees to deliver written notice to Lessor of such termination at least 60 days prior to the end of the then current Original Term or Renewal Term, but failure to give such written notice shall not extend the term beyond such Original Term or Renewal Term.

ARTICLE V. TITLE TO EQUIPMENT; SECURITY INTEREST; OPTION TO PURCHASE

Section 5.01. Title to the Equipment. Upon acceptance of the Equipment by Lessee, title to the Equipment and any and all additions, repairs, replacements or modifications shall vest in Lessee, subject to the rights of Lessor under this Agreement; provided that title to the Equipment that is subject to any Lease shall thereafter immediately and without any action by Lessee vest in Lessor, and Lessee shall immediately surrender possession of that Equipment to Lessor, upon (a) any termination of that Lease other than termination pursuant to Section 5.04, or (b) the occurrence of an Event of Default with respect to that Lease. It is the intent of the parties hereto that any transfer of title to Lessor pursuant to this Section shall occur automatically without the necessity of any bill of sale, certificate of title or other instrument of conveyance. Lessee shall, nevertheless, execute and deliver any such instruments as Lessor may request to evidence such transfer.

Section 5.02. Security Interest. To secure the payment of all Lessee's obligations under this Agreement, Lessee grants to Lessor a security interest constituting a first lien on (i) the Equipment and on all additions, attachments, accessions, that are considered to be an integral part of the equipment, and substitutions thereto, and on any proceeds there from, and (ii) the acquisition fund established under any Escrow Agreement entered into in connection therewith. Lessee agrees to execute such additional documents, in form satisfactory to Lessor, which Lessor deems necessary or appropriate to establish and maintain its security interest in the Equipment. Lessee hereby authorizes the filing of financing statements under the Uniform Commercial Code in connection with the security interest granted hereunder.

Section 5.03. Personal Property. Lessor and Lessee agree that the Equipment is and will remain personal property and will not be deemed to be affixed to or a part of the real estate on which it may be situated, notwithstanding that the Equipment or any part thereof may be or hereafter become in any manner physically affixed or attached to real estate or any building thereon. Upon the request of Lessor, Lessee will, at Lessee's expense, furnish a waiver of any interest in the Equipment from any party having an interest in any such real estate or building.

Section 5.04. Option to Purchase. Lessee shall have the option to purchase Lessor's interest in all (but not less than all) of the Equipment described in any Schedule, upon giving written notice to Lessor at least 60 (but not more than 180) days before the date of purchase, at the following times and upon the following terms:

- (a) On the date of the last Rental Payment set forth in that Schedule (assuming this Agreement is renewed at the end of the Original Term and each Renewal Term), if the Agreement is still in effect on such day, upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule plus One Dollar;
- (b) On the last day of the Original Term or any Renewal Term then in effect, upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule plus the then applicable Purchase Option Price set forth in that Schedule; or
- (c) In the event of substantial damage to or destruction or condemnation of substantially all of the Equipment listed in that Schedule on the day specified in Lessee's written notice to Lessor of its exercise of the purchase option upon payment in full to Lessor of the Rental Payments and all other amounts then due under that Schedule, including, without limitation, interest accrued to the date of payment, plus the then applicable Purchase Option Price set forth in that Schedule.

ARTICLE VI. DELIVERY, MAINTENANCE; MODIFICATION; TAXES; INSURANCE AND OTHER CHARGES

Section 6.01. Delivery, Installation and Acceptance of Equipment. Lessee shall order the Equipment, cause the Equipment to be delivered and installed at the locations specified in the Schedules and pay any and all delivery and installation costs in connection therewith. When the Equipment listed in any Schedule has been delivered and installed, Lessee shall immediately accept such Equipment and evidence said acceptance by executing and delivering to Lessor an Acceptance Certificate in the form attached hereto as Exhibit D.

Section 6.02. Location; Inspection. Once installed, no item of the Equipment will be moved from the location specified for it in the Schedule on which that item is listed without Lessor's consent, which consent shall not be unreasonably withheld. Lessor shall have the right at all reasonable times during regular business hours to enter into and upon the property of Lessee for the purpose of inspecting the Equipment.

Section 6.03. Maintenance of Equipment by Lessee. Lessee agrees that at all times during the Lease Term Lessee will, at Lessee's own cost and expense, maintain, preserve and keep the Equipment in good repair, working order and condition, and that Lessee will from time to time make or cause to be made all necessary and proper repairs, replacements and renewals. Lessor shall have no responsibility in any of these matters, or for the making of improvements or additions to the Equipment. Lessee shall not make material modifications to the Equipment without the prior consent of Lessor.

Section 6.04. Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee shall keep the Equipment free of all liens, charges and encumbrances except those created by this Agreement. The parties to this Agreement contemplate that the Equipment will be used for a governmental or proprietary purpose of Lessee and, therefore, that the Equipment will be exempt from all taxes presently assessed and levied with respect to personal property. In the event that the use, possession or acquisition of the Equipment is found to be subject to taxation in any form (except for income taxes of Lessor), Lessee will pay, as the same respectively come due, all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Equipment and any equipment or other property acquired by Lessee in substitution for, as a renewal or replacement of, or a modification, improvement or addition to the Equipment, as well as all gas, water, steam, electricity, heat, power, telephone, utility and other charges incurred in the operation, maintenance, use, occupancy and upkeep of the Equipment; provided that, with respect to any governmental charges that may lawfully be paid in installments over a period of years, Lessee shall be obligated to pay only such installments as have accrued during the Lease Term. Lessee will take no action that will cause the interest portion of any Rental payment to become includable in gross income of the recipient for purposes of federal income taxation under the Code, and Lessee will take, and will cause its officers, employees and agents to take, all affirmative action legally within its power to prevent such interest from being includable in gross income for purposes of federal income taxation under the Code. Lessee acknowledges that Lessor's yield with respect to this Agreement is dependent upon the interest component of each Rental Payment being

excluded from Lessor's income pursuant to the Code.

Section 6.05. Provisions Regarding Insurance. At its own expense, Lessee shall maintain (a) casualty insurance insuring the Equipment against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State, and any other risks reasonably required by Lessor, in an amount at least equal to the replacement cost of the Equipment, (b) liability insurance that protects Lessor from liability in all events in form and amount satisfactory to Lessor and (c) workers' compensation coverage as required by the laws of the State; provided that, with Lessor's prior written consent, Lessee may self-insure against the risks described in clauses (a) and (b); provided further that, if Lessor provides such consent Lessee shall provide to Lessor information with respect to such self-insurance program as Lessor may request from time to time. All insurance proceeds from casualty losses shall be payable as hereinafter provided. Lessee shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term. All such casualty and liability insurance shall be with insurers that are acceptable to Lessor, shall name Lessor as a loss payee and an additional insured, respectively, and shall contain a provision to the effect that such insurance shall not be canceled or modified materially without first giving written notice thereof to Lessor at least 30 days in advance of such cancellation or modification. All such casualty insurance shall contain a provision making any losses payable to Lessee and Lessor as their respective interests may appear.

Section 6.06. Advances. In the event Lessee shall fail to maintain the full insurance coverage required by this Agreement or shall fail to keep the Equipment in good repair and operating condition, Lessor may (but shall be under no obligation to) purchase the required insurance and pay the premiums on the same or may make such repairs or replacements as are necessary and provide for payment thereof; and all amounts so advanced therefore by Lessor shall constitute additional rent for the then-current Original Term or Renewal Term, and Lessee covenants and agrees to pay such amounts so advanced by Lessor with interest thereon from the date advanced until paid at the rate of 18% per annum or the maximum interest rate permitted by law, whichever is less.

ARTICLE VII. DAMAGE, DESTRUCTION AND CONDEMNATION: USE OF NET PROCEEDS

Section 7.01. Risk of Loss. Lessee is responsible for the entire risk of loss of or damage or destruction to the Equipment. No such loss, damage or destruction shall relieve Lessee of any obligation under this Agreement or any Lease.

Section 7.02. Damage, Destruction and Condemnation. If (a) the Equipment listed on any Schedule or any portion thereof is destroyed, in whole or in part, or is damaged by fire or other casualty or (b) title to, or the temporary use of, the Equipment or any part thereof shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting pursuant to governmental authority, Lessee and Lessor will cause the Net Proceeds of any insurance claim or condemnation award to be applied to the prompt replacement, repair, restoration, modification or improvement of that Equipment, unless Lessee shall have exercised its option to purchase that Equipment pursuant to Section 5.04. Any balance of the Net Proceeds remaining after such work has been completed shall be paid to Lessee.

Section 7.03. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any replacement, repair, restoration, modification or improvement referred to in Section 7.02, Lessee shall either complete such replacement, repair, restoration, modification or improvement and pay any costs thereof in excess of the amount of the Net Proceeds, unless Lessee, pursuant to Section 5.04, purchases Lessor's interest in the Equipment destroyed, damaged or taken and any other Equipment listed in the same Schedule. The amount of the Net Proceeds, if any, remaining after completing such repair, restoration, modification or improvement or after purchasing Lessor's interest in the Equipment shall be retained by Lessee. If Lessee shall make any payments pursuant to this Section, Lessee shall not be entitled to any reimbursement therefore from Lessor nor shall Lessee be entitled to any diminution of the amounts payable under Article IV.

ARTICLE VIII. DISCLAIMER OF WARRANTIES; VENDOR'S WARRANTIES; USE OF THE EQUIPMENT

Section 8.01. Disclaimer of Warranties. LESSEE HAS SELECTED THE EQUIPMENT AND THE VENDORS. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EITHER EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR PURPOSE OR FITNESS FOR USE OF THE EQUIPMENT, OR WARRANTY OR REPRESENTATION WITH RESPECT THERETO. In no event shall Lessor be liable for an incidental, indirect, special or consequential damage in connection with or arising out of this Agreement or the existence, furnishing, functioning or Lessee's use of any item or products or service provided for in this Agreement.

Section 8.02. Vendor's Warranties. Lessor hereby irrevocably appoints Lessee its agent and attorney-in-fact during the Lease Term, so long as Lessee shall not be in default hereunder, to assert from time to time whatever claims and rights, including warranties of the Equipment, which Lessor may have against the Vendor of the Equipment. Lessee's sole remedy for the breach of such warranty, indemnification or representation shall be against the Vendor of the Equipment, and not against Lessor, nor shall such matter have any effect, whatsoever on the rights and obligations of Lessor with respect to this Agreement, including the right to receive full and timely payments hereunder. Lessee expressly acknowledges that Lessor makes, and has made no representation or warranties whatsoever as to the existence or availability of such warranties of the Vendor of the Equipment.

Section 8.03. Use of the Equipment. Lessee will not install, use, operate or maintain the Equipment improperly, carelessly, in violation of any applicable law or in a manner contrary to that contemplated by this Agreement. Lessee shall provide all permits and licenses, if any, necessary for the installation and operation of the Equipment. In addition, Lessee agrees to comply in all respects (including, without limitation, with respect to the use, maintenance and operation of each item of the Equipment) with all laws of the jurisdictions in which its operations involving any item of Equipment may extend and any legislative, executive, administrative or judicial body exercising any power or jurisdiction over the items of the Equipment; provided, however, that Lessee may contest in good faith the validity or application of any such law or rule in any reasonable manner which does not, in the opinion of Lessor, adversely affect the title of Lessor in and to any of the items of the Equipment or its interest or rights under this Agreement.

Section 8.04. Essential Nature of the Equipment. Lessee confirms and affirms that the Equipment is essential to the function of Lessee and the services provided to its citizens, that there is an immediate need for the Equipment which is not temporary or expected to diminish in the foreseeable future, and that Lessee will use substantially all the Equipment for the purpose of performing one or more governmental or proprietary functions consistent with the permissible scope of its authority.

ARTICLE IX. ASSIGNMENT, SUBLEASING, INDEMNIFICATION, MORTGAGING AND SELLING

Section 9.01. Assignment by Lessor. Lessor's interest in, to, and under this Agreement; any Lease and the Equipment may be assigned and reassigned in whole or in part to one or more assignees by Lessor at any time subsequent to its execution. Lessee hereby agrees to maintain a written record of each such assignment in form necessary to comply with Section 149(a) of the Code. No such assignment shall be binding on Lessee until it has received written notice from Lessor of the assignment disclosing the name and address of the assignee. Lessee agrees to execute all documents, including chattel mortgages or financing statements that may be reasonably requested by Lessor or any assignee to protect its interests in the Equipment and in this Agreement. Lessee shall not have the right to and shall not assert against any assignee any claim, counterclaim, defense, set-off or other right Lessee may from time to time have against Lessor.

Section 9.02. Assignment and Subleasing by Lessee. None of Lessee's interest in, to and under this Agreement and in the Equipment may be sold, assigned, subleased, pledged or otherwise encumbered by Lessee without the prior written consent of Lessor.

Section 9.03. Release and Indemnification Covenants. To the extent permitted by law, Lessee shall indemnify, protect, hold harmless, save and keep harmless Lessor from and against any and all liabilities, obligations, losses, claims and damages whatsoever, regardless of cause thereof, and all expenses in connection therewith (including, without limitation, counsel fees and expenses, penalties connected therewith imposed on interest received) arising out of or as (a) result of the entering into of this Agreement, (b) the ownership of any item of the Equipment, (c) the manufacture, ordering, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any item of the Equipment, (d) or any accident in connection with the operation, use, condition, possession, storage or return of any item of the Equipment resulting in damage to property or injury to or death to any person, and/or (e) the breach of any covenant herein or any material misrepresentation contained herein. The indemnification arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the termination of the Lease Term for any reason.

ARTICLE X. EVENTS OF DEFAULT AND REMEDIES

Section 10.01. Events of Default Defined. Subject to the provisions of Section 4.05, any of the following events shall constitute an "Event of Default" under any Lease:

- (a) Failure by Lessee to pay any Rental Payment or other payment required to be paid under that Lease at the time specified in that Lease;
- (b) Failure by Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed under that Lease, other than as referred to in subparagraph (a) above, for a period of 30 days after written notice specifying such failure and requesting that it be remedied is given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; provided that, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;
- (c) Any statement, representation or warranty made by Lessee in or pursuant to that Lease or its execution, delivery or performance shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made;
- (d) Any provision of that Lease shall at any time for any reason cease to be valid and binding on Lessee, or shall be declared to be null and void, or the validity or enforceability thereof shall be contested by Lessee or any governmental agency or authority if the loss of such provision would materially adversely affect the rights or security of Lessor, or Lessee shall deny that it has any further liability or obligation under that Lease.
- (e) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization or insolvency proceeding; or
- (f) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator of Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of 30 consecutive days.

Section 10.02. Remedies on Default. Whenever any Event of Default under any Lease exists, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

- (a) By written notice to Lessee, declare all Rental Payments and other amounts payable by Lessee under that Lease to the end of the then current Original Term or Renewal Term to be due;
- (b) With or without terminating that Lease, Lessor may, upon 5 days written notice to Lessee, enter the premises where any Equipment that is subject to that Lease is located and retake possession of that Equipment or require Lessee at Lessee's expense to promptly return any or all of the Equipment to the possession of Lessor at such place within the United States as Lessor shall specify, and sell or lease the Equipment or, for the account of Lessee, sublease the Equipment, continuing to hold Lessee liable for the difference between (i) the Rental Payments and other amounts payable by Lessee under that Lease plus the then-applicable Purchase Option Price for that Equipment and (ii) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of Lessor in exercising its remedies under this Agreement, including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing the Equipment and all brokerage, auctioneers' and attorneys' fees) provided that the amount of Lessee's liability under this subparagraph (b) shall not exceed the Rental Payments and other amounts otherwise due under that Lease plus the remaining Rental Payments and other amounts payable by Lessee under that Lease to the end of the then current Original Term or Renewal Term; and
- (c) Lessor may take whatever action at law or in equity may appear necessary or desirable to enforce its rights under that Lease or as the owner of any or all of the Equipment that is subject to that Lease.

In addition, whenever an Event of Default exists with respect to any Rental Payment required by a particular Schedule or with respect to any other payment, covenant, condition, agreement, statement, representation or warranty set forth in that Schedule or applicable to that Schedule or the Equipment listed therein, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

- (d) By written notice to Lessee, Lessor may declare all Rental Payments payable by Lessee pursuant to that Schedule and other amounts payable by Lessee under this Agreement to the end of the then current Original Term or Renewal Term to be due;
- (e) With or without terminating that Schedule, Lessor may, upon 5 days written notice to Lessee, enter the premises where the Equipment listed in that Schedule is located and retake possession of that Equipment or require Lessee at Lessee's expense to promptly return any or all of that Equipment to the possession of Lessor at such place within the United States as Lessor shall specify, and sell or lease that Equipment or, for the account of Lessee, sublease that Equipment, continuing to hold Lessee liable for the difference between (i) the Rental Payments payable by Lessee pursuant to that Schedule and other amounts related to that Schedule or the Equipment listed therein that are payable by Lessee hereunder plus the then applicable Purchase Option Price for that Equipment, and (ii) the net proceeds of any such sale, leasing or subleasing (after deducting all expenses of Lessor in exercising its remedies under this Agreement, including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing such Equipment and all brokerage, auctioneers' and attorneys' fees) provided that the amount of Lessee's liability under this subparagraph (e) shall not exceed the Rental Payments and other amounts otherwise due under that Schedule plus the remaining Rental Payments and other amounts payable by Lessee under that Schedule to the end of the then current Original Term or Renewal Term; and
- (f) Lessor may take whatever action at law or in equity may appear necessary or desirable to enforce its rights under that Schedule, this Agreement with respect to that Schedule and the Equipment listed therein.

In addition to the remedies specified above, Lessor may charge interest on all amounts due to it at the rate of 10% per annum or the maximum amount permitted by law, whichever is less. The exercise of any such remedies respecting any such Event of Default shall not relieve Lessee of any other liabilities under any other Schedules, this Agreement related to any other Schedule or the Equipment listed therein.

Section 10.03. No Remedy Exclusive. No remedy conferred upon or reserved to Lessor by this Article is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this lease. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof but any such right and power may be exercised from time to time and as often as may be deemed expedient by Lessor or its assignee.

Section 10.04. Agreement to Pay Attorneys' Fees and Expenses. If Lessee should default under any of the provisions hereof and Lessor should employ attorneys or incur other expenses for the collection of moneys or for the enforcement of performance or observance of any obligation or agreement on the part of Lessee contained in this Agreement, Lessee agrees, to the extent it is permitted by law to do so, that it will, if assessed by a court of competent jurisdiction, pay to Lessor the reasonable fees of those attorneys and other reasonable expenses so incurred by Lessor.

Section 10.05. Application of Moneys. Any net proceeds from the exercise of any remedy hereunder (after deducting all expenses of Lessor in exercising such remedies including without limitation all expenses of taking possession, storing, reconditioning and selling or leasing Equipment and all brokerage, auctioneer's or attorney's fees) shall be applied as follows:

- (a) If such remedy is exercised solely with respect to a single Schedule, Equipment listed in that Schedule or rights under the Agreement related to that Schedule, then to amounts due pursuant to that Schedule and other amounts related to that Schedule or that Equipment.
- (b) If such remedy is exercised with respect to more than one Schedule, Equipment listed in more than one Schedule or rights under the Agreement related to more than one Schedule, then to amounts due pursuant to those Schedules pro rata.
